C#m A
Know my heart
 E F#m
And see if there be any way in me
 C#m A E F#m
That is not of Your perfect will (over my life)

C#m A
Cause I don't want to be
 E
This distant from You
 F#m
This separation I can hardly bare
C#m A
And Lord I want to be
 E
United with You
 F#m
Come search me until I'm completely Yours

 C#m
Cause I am falling for You
 A
Drawing near to Your heart
 E F#m
Seeking the desire that stirs me in the night
 C#m
Release this revelation
 A
That shows me jumping to You
 E F#m
Carried by the surge of Your mighty waterfall
