[Db Dbsus Db Gb Ab]

## VERSE 1

Db Dbsus Db  
Who can you tell when life is sliding downward?  
Gb Ab  
What is the honest thing to tell a trusting soul?  
Db Dbsus Db Dbsus  
How do you know that you won't become the object of conversation  
Gb Ab  
A spreading of the inner-self, no longer whole  
Bbm Db/Ab Gbmaj7  
Oh, it's not what you want,  
Gbmaj7 Bb/F Ebm7 [Db Dbsus Db Gb Ab]  
It's not what I need anyway

## VERSE 2

Db Dbsus Db  
You once were told that this is how true love works  
Gb Ab  
This is the place of where true healing begins  
Db Dbsus Db Dbsus  
But now I know the truth of those who live out on the outside  
Gb Ab  
Where love exists in spite of me  
Bbm Db/Ab Gbmaj7  
Oh, it's not what you want,  
Gbmaj7 Bb/F Ebm7 Db Dbsus Db  
It's not what I need anyway

## BRIDGE

Ebm7  
A simple burden, too heavy to bear  
Gb  
Threatened hopes of life made clear  
Db/Ab  
Is this to be the better stage?  
Ab  
Of love poured out and love betrayed?  
Bbm Db/Ab Gbmaj7  
Oh, it's not what you want,  
Gbmaj7 Bb/F Ebm7 [Db Dbsus Db Gb Ab]  
It's not what I need anyway
