VERSE 1

Ab Eb
Do you wonder if my heart is breaking?
Fm Db
Or if I think you are a chance worth taking?
Ab Eb Db
This I know, within me there's much aching I don't understand.
Ab Eb
The flowers on my table are refusing to fade
Fm Db
Unaware of all the cards that have been played
Ab Eb Db
I can't ignore the words God gave me when I prayed for you
Bbm7 Db Ab Absus
Though you've closed the door, I couldn't disagree more

CHORUS

Ab Eb Fm Db
I am willing to fight for this, I'm not ready to write you off yet
Ab Eb Fm Db
We'd barely gotten started when the doubt crept in, and sang a different tune than the one within
Ab Eb Fm Db
The song within me speaks of something sweet, a melody that I would love to repeat
Bbm7 Db [Ab Eb Fm Db]
Though you've closed the door, I couldn't disagree more

VERSE 2

In my perfect dream you somehow come around
A road less traveled in your journey has been found
Where I play the part of beauty, not a clown to you
So if you're thinking that I have turned away
In this declaration I will not be swayed:
There is more to us than this game we've played so far
Though you've closed the door, I couldn't disagree more

BRIDGE

Cm Fm
If you change your mind
Db Bbm7
Just know you will find
Ab Eb Fm Db
a welcome back into this heart
