## VERSE 1

F#m D A  
You're calling me to a deeper place  
E  
A deeper place where Your fire burns  
F#m D A E  
And purifies every part that wants to hold on to this lie

## CHORUS

Bm7 D A E (Your ways)  
I'm afraid, I'm afraid of losing myself in this way  
Bm7 D A  
A leap of faith to some unknown place  
E  
Is the call you set before me  
  
F#m E D A E  
Somehow inside I know that you won't relent until I jump  
F#m E D  
Somehow inside I know  
[A E F#m D]  
this is good

## VERSE 2

F#m D A  
You call me out, set me apart  
E  
Separated for a higher purpose  
F#m D A  
It drowns my mind and in my heart  
E  
I'm drawn to know You in the secret places
