VERSE

B
Your heart must break
E B
when I refuse to see what you see
E
when I live in defeat or believe the lies.
B
But now I see myself
E B
as part of the larger story
E
and find it is not so distant after all

PRE-CHORUS

A E/G# F#
Before I've turned away
A E/G# F#
from the love with which You've created me,
but now I see:

CHORUS

B F#
How great this foundation, how great this prize
A E
To see myself through the Father's eyes,
B F#
Such lovingkindness, tenderness, and pride
A E
For a daughter You long to have at Your side
A E/G# Bsus B Bsus B
Were I the only one, You'd still give Your Son.

BRIDGE

A E/G# Bsus B Bsus B
The depths of Your love are unsearchable,
A E/G# Bsus B Bsus B
And the heights of Your love—indescribable
A E/G# Em/G D/F#
Your affection over me is boundless, vast, and free
Esus E
You're unrelenting.
